25HOURS HOTEL "THE CIRCLE"

Cologne Werner Aisslinger

4

Situated in the very heart of the city, in the historic rotunda where the HQ of the Gerling Insurance Group was built, this hotel, designed by Werner Aisslinger Studio, is based on the concept of retro-futurism: the over 200 rooms and the public spaces are the result of a perfect combination between playful retro styles and imaginative future utopias.

25 HOURS HOTEL Zurich

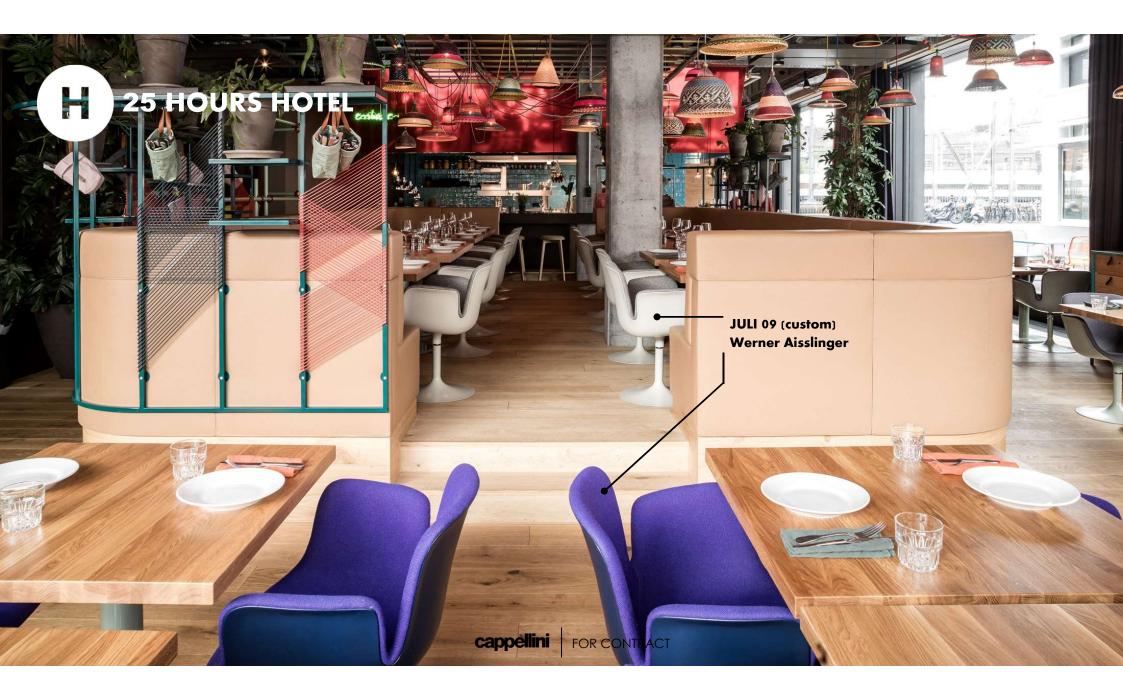

Werner Aisslinger

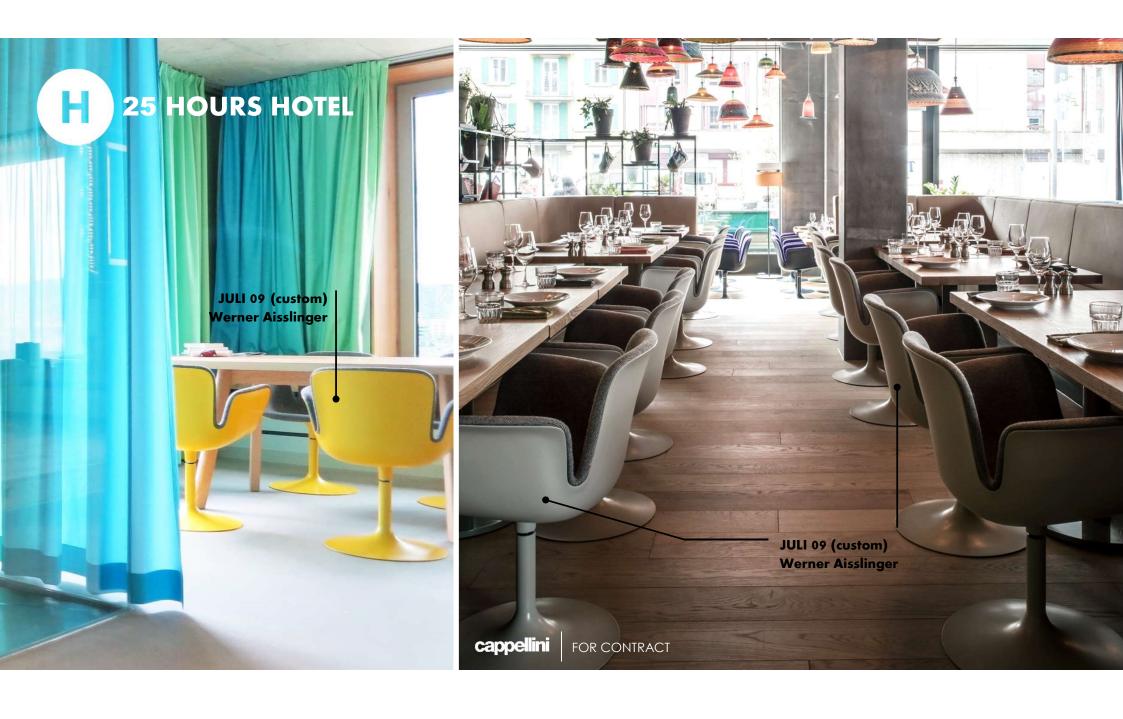

Н

25hours Hotel Zurich Langstrasse is located close to Zurich's main station at the intersection between the traditional district of subculture and night owls and the dignified Eurogate. The hotel regards itself as a small, independent universe where the worlds and cultures of art and finance converge.

HOBO HOTEL

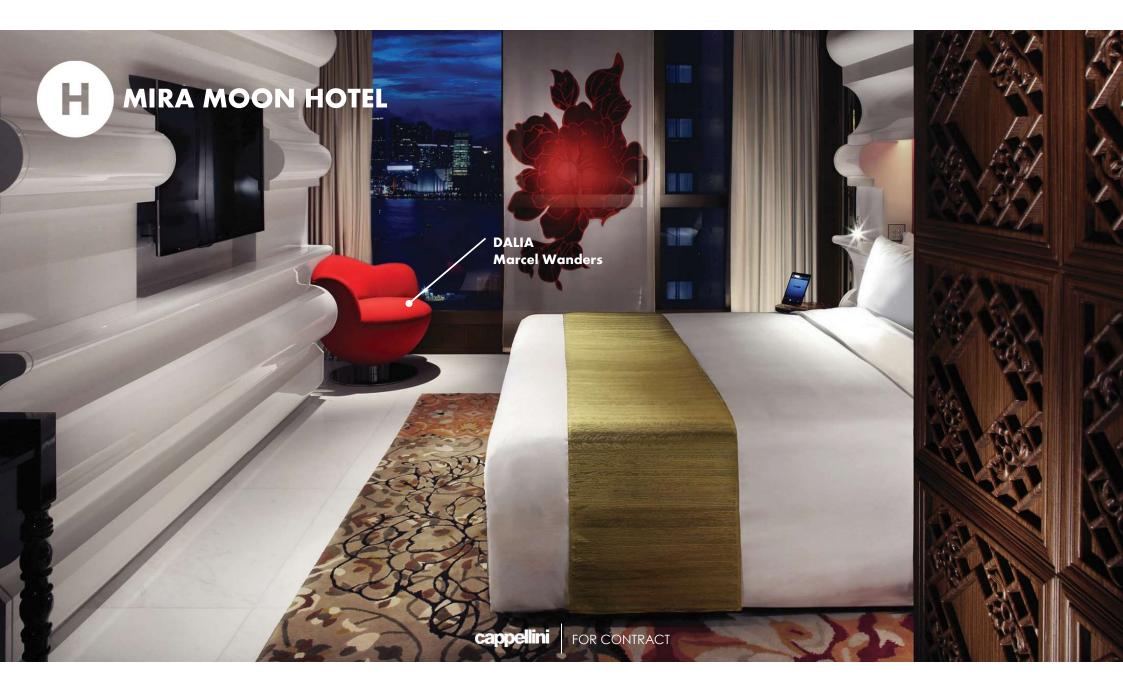

Stockholm *Werner Aisslinger & Tina Bunyaprasit* Hobo is a new boutique hotel in central Stockholm, where people can live, work, create, learn and have fun together. Award-winning Berlin based designer Werner Aisslinger has created the looks and feels of a hotel for guests who love the adventure of travelling; experiencing pure materials, nature, community, music and good talks.

MIRA MOON HOTEL

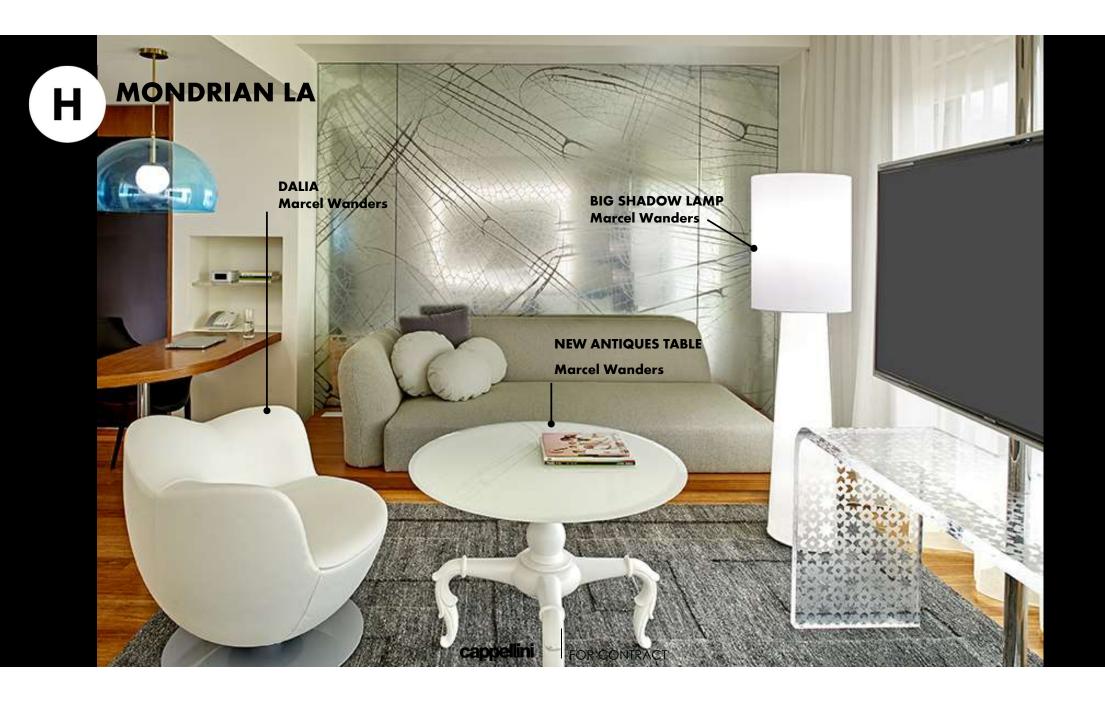

Hong Kong Marcel Wanders Heritage blended with modern artistic expression makes Mira Moon one of the most distinctive, vibrant hotel interiors in the region. This hotel offers guests modern furnishings with antique Chinese fabrics and prints, peony flower wall details, tailored carpets, hand-cut mosaic and a wall with 'lucky charms' in the lobby. Ceramics, carved timber and cut crystal are used extensively – each designed within a warm color palette of orange, brown and light green.

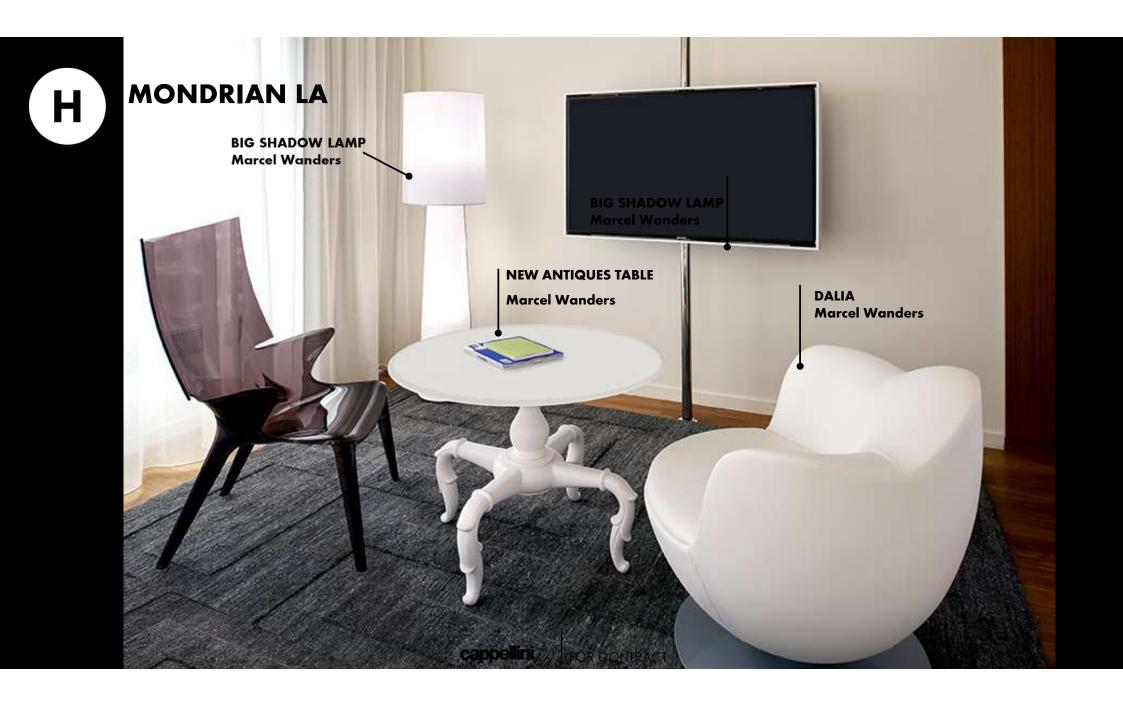

MONDRIAN LA

Los Angeles SBE (Morgan Hotel Group) Following an extensive renovation, the Mondrian LA features several iconic design pieces displayed throughout the hotel's hall and rooms. With its contemporary and playful interiors, Mondrian LA is bold and brave, seductive and striking, and where glamour and fantasy prevail. Fall into an enchanted haven of unparalleled wonder and perpetual possibilities.

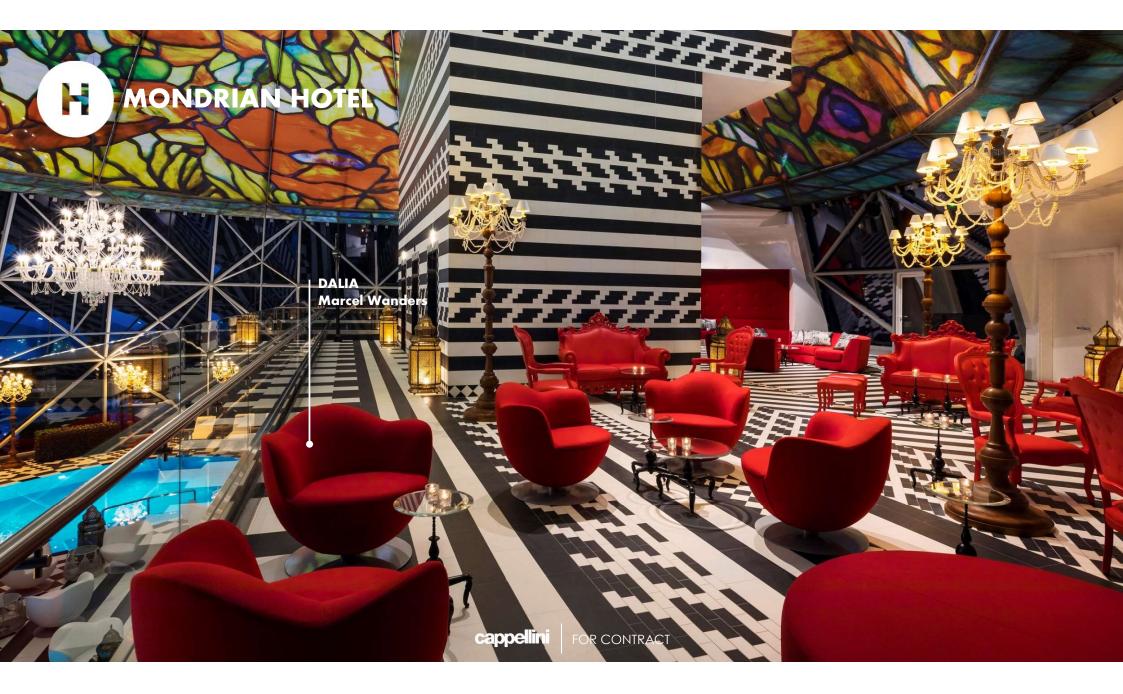

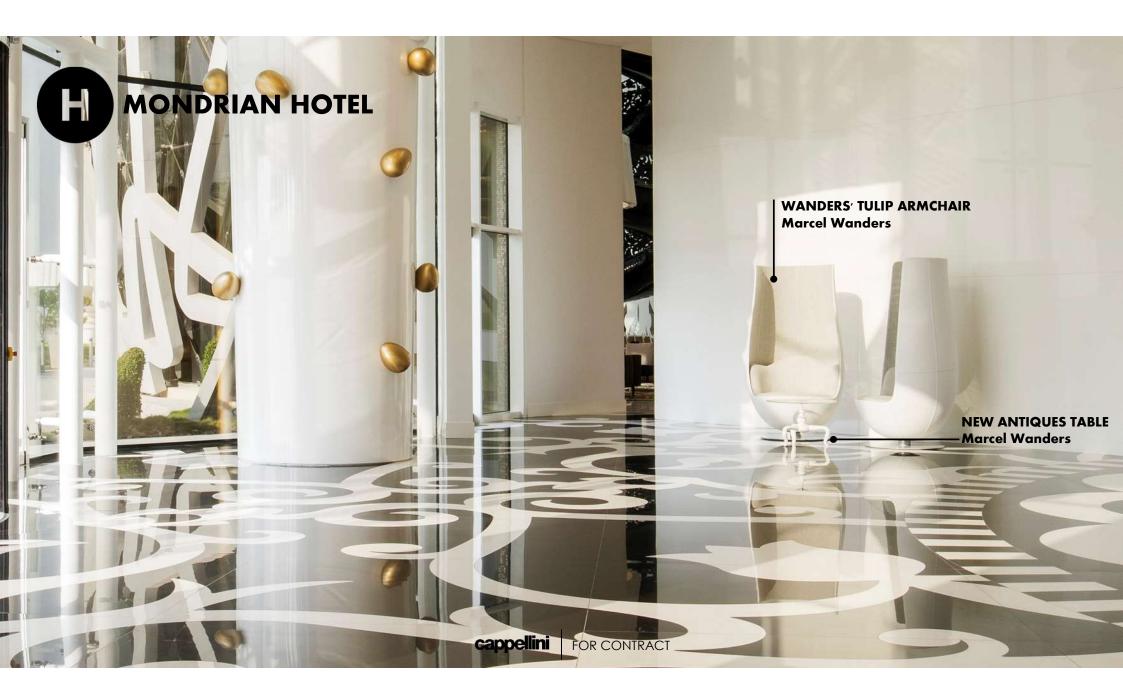

MONDRIAN HOTEL

Doha Marcel Wanders The Mondrian Doha in Qatar (2017) is a 5-star destination designed by Marcel Wanders and operated by the global hospitality company SBE, drawing on local knowledge and exhibiting innovative materials and techniques. In this contemporary classic hotel, bespoke designs reflect local patterns, Arabic writing and historic souks.

OHLA HOTEL

THE LOCAL DISCOUNTS OF

協議

H

Barcelona Alonso Balaguer Architects Ohla Barcelona is a five-star hotel right in the centre of Barcelona, the ideal spot for tourist visits, shopping and business. Located on the site of the former palace of the first Count of Barcelona, the avant-garde interior design of the current building contrasts with a neoclassic façade classified as historical heritage and boasting a sculptural work by the artist Frederic Amat.

Rome *King & Rosselli*

1 115

.

Located in the very heart of Rome, the luxurious Radisson Blu es. Hotel is within easy walking distance of the Colosseum, the Trevi Fountain and many of the Eternal City's other marvels. Its rooms feature a blend of minimalist design and sophisticated comfort, while overlooking the beauty of the City's monuments. Here, history and present coexist, giving the possibility to rediscover ancient pleasures in a very modern environment.

UNA HOTEL

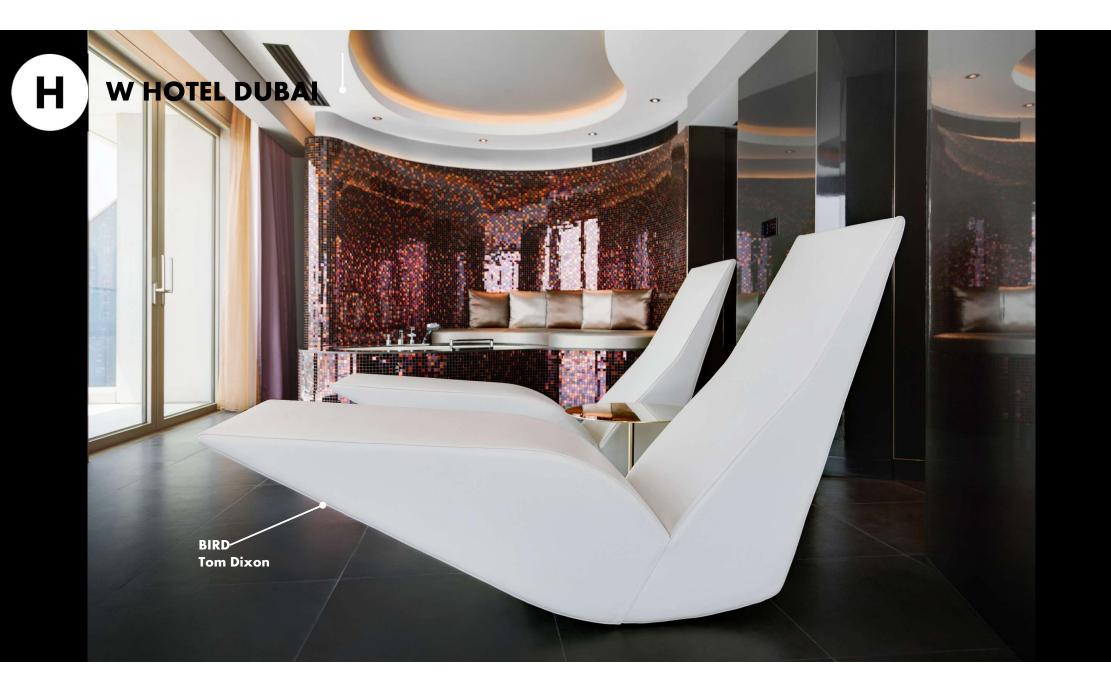

Florence *Fabio Novem<u>bre</u>* Una Hotel Vittoria was established in Florence with the idea of capturing the Renaissance spirit of the city in a large communal home away from home, to provide a functional and inspirational stopping place for people from all walks of life. At the entrance, a captivating vortex of floral mosaics turns into a reception desk, while the bar counter circles in upon itself, creating receptive spiral forms where opportunities for contact abound.

W HOTEL Dubai DWP Studio

н

With 350 guest rooms and suites enjoying uninterrupted views and dreamy amenities, the First Escape in the Middle East redefines city getaways. Here, you can be in the centre of the action without being the centre of attention. Traditional is juxtaposed with modern, organic meets manmade and order challenges chaos.

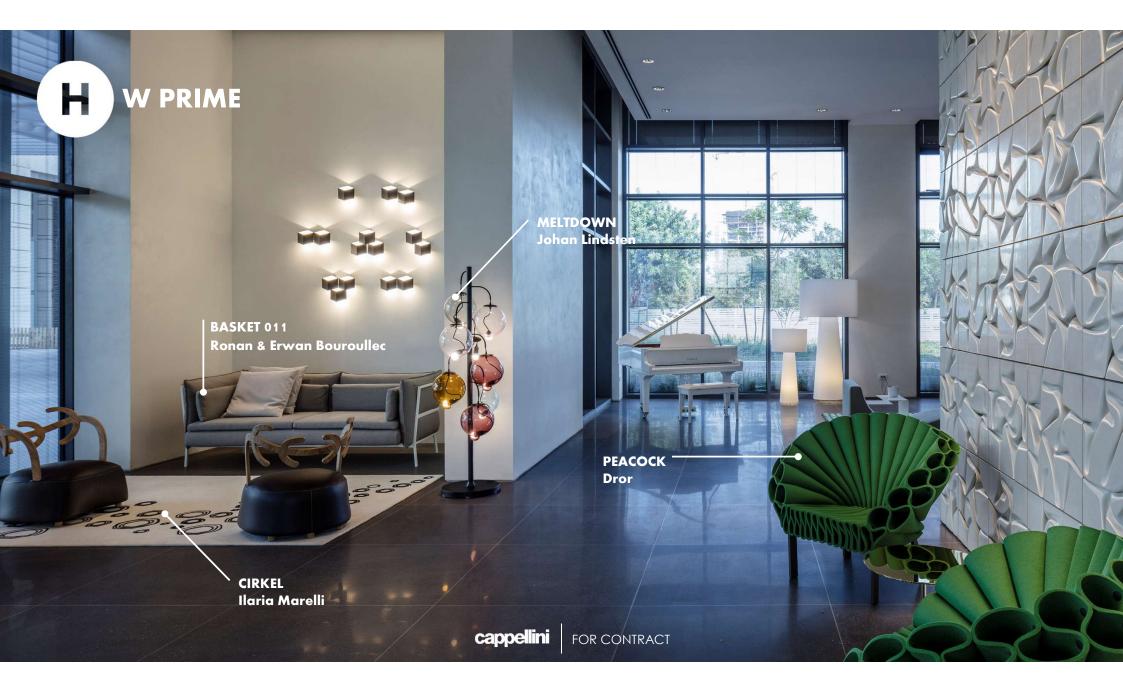

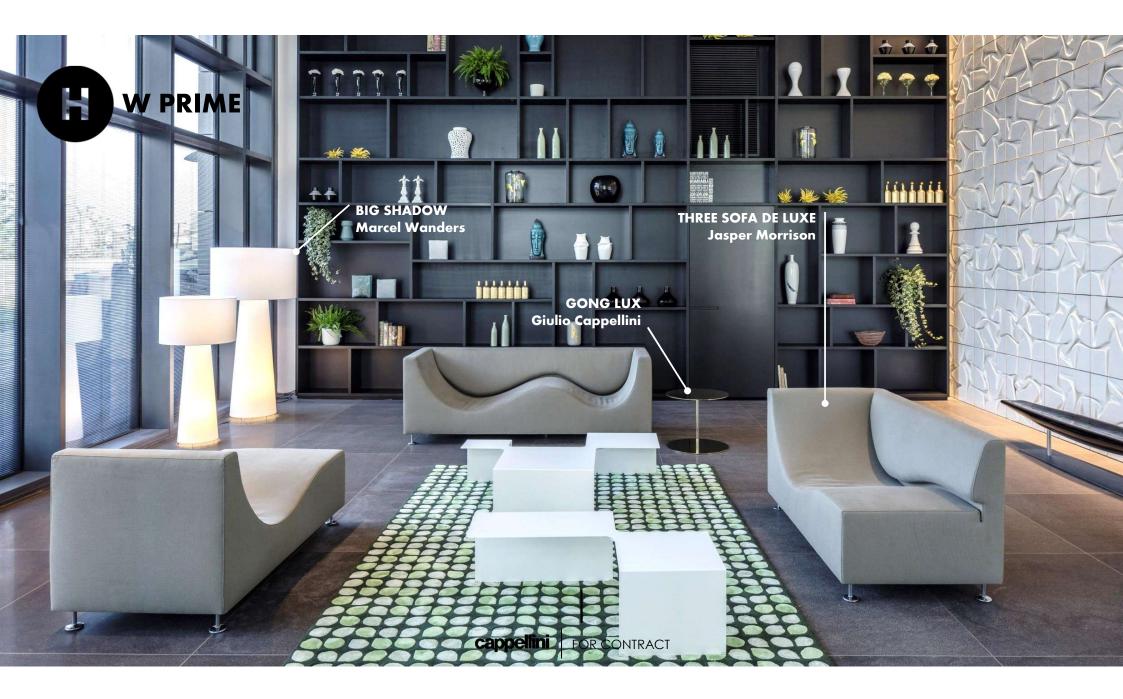

W PRIME Tel-Aviv

Michal Han

W Prime tower lobby in Tel-Aviv occupies appx. 800 sqm and consists of the main and public entrance spaces, a private SPA and gym area. The vision of the project was to create a unique, colorful and vibrant space, which allows visitors to both feel a sense of home whilst simultaneously transporting them into a world of fresh and exciting possibilities.

HOTEL NEPTUNO

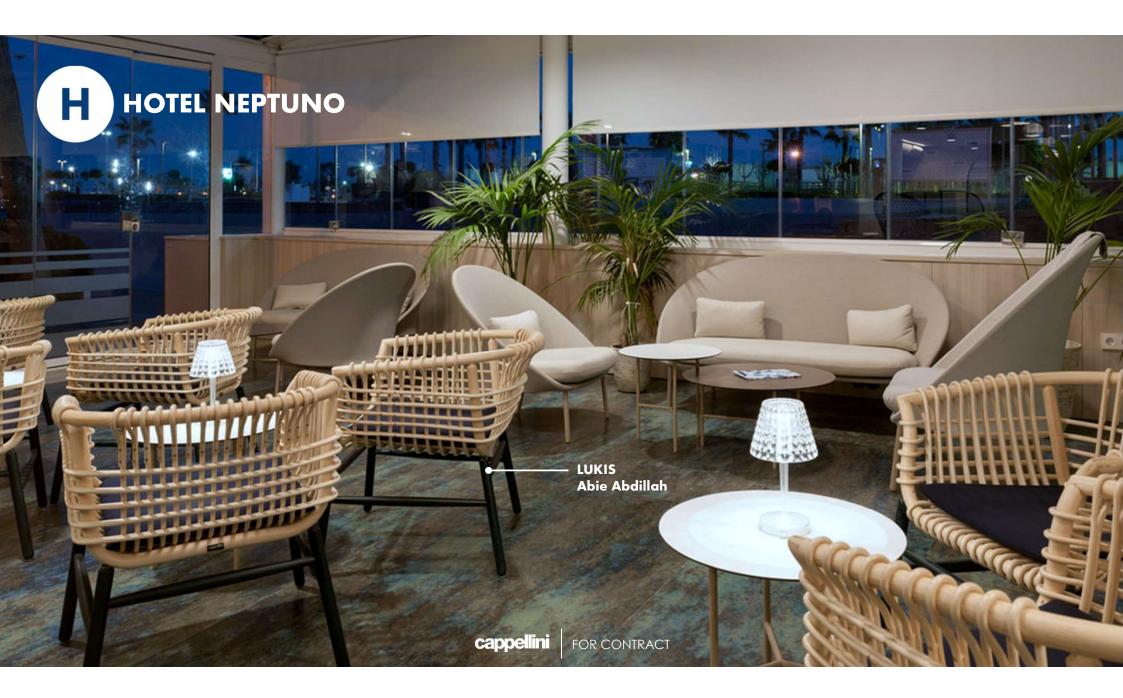

Valencia *Julio Guixeres*

Н

Hotel Neptuno Valencia is a 4 Star urban hotel located on the beach of Valencia, designed by Julio Guixeres. A hotel where you can discover the pleasure of relax and comfort in spaces designed with top quality materials, where design coexists with the art of the great Valencian artists. The furniture and lighting of the best international brands shine in every space, creating a sense of comfort and warmth.

OTEL NEPTUNO

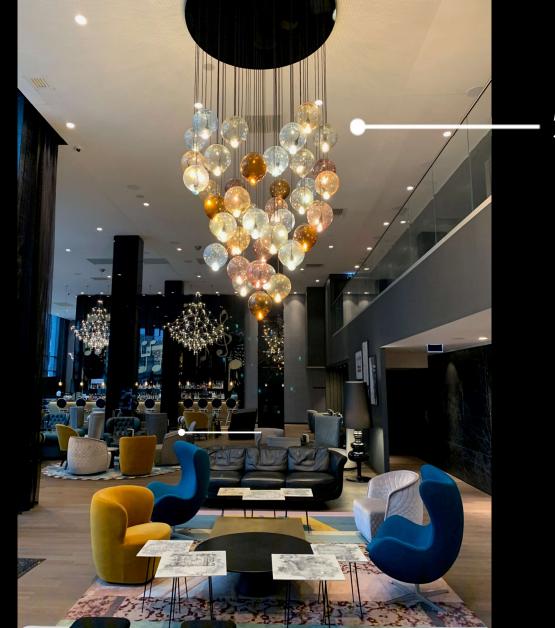

MOTEL ONE Warsaw - Chopin

Н

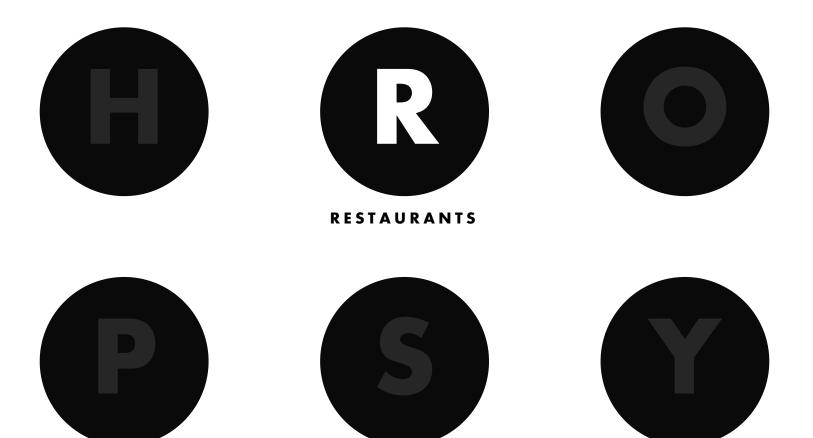

Motel One in the Polish capital has chosen a particularly melodious namesake in Fryderyk Chopin, who was born in Warsaw. Traces of the composer and his musical legacy can be found all across the city – and they also set the tone for the design of Motel One.

PANTE Madrid Antonio Facco Studio

PA

R

Alessandro Luchetti, Daniel Cabezas and Antonio Facco, decided to bring Pantelleria's architecture and authentic Italian cuisine to Madrid. A new restaurant where the search for quality is silent and authentic. A place where attention to raw materials, design research, accuracy of details and a passion for hospitality naturally coexist and express the true hidden value, offering the public a unique and Mediterranean gastronomic experience.

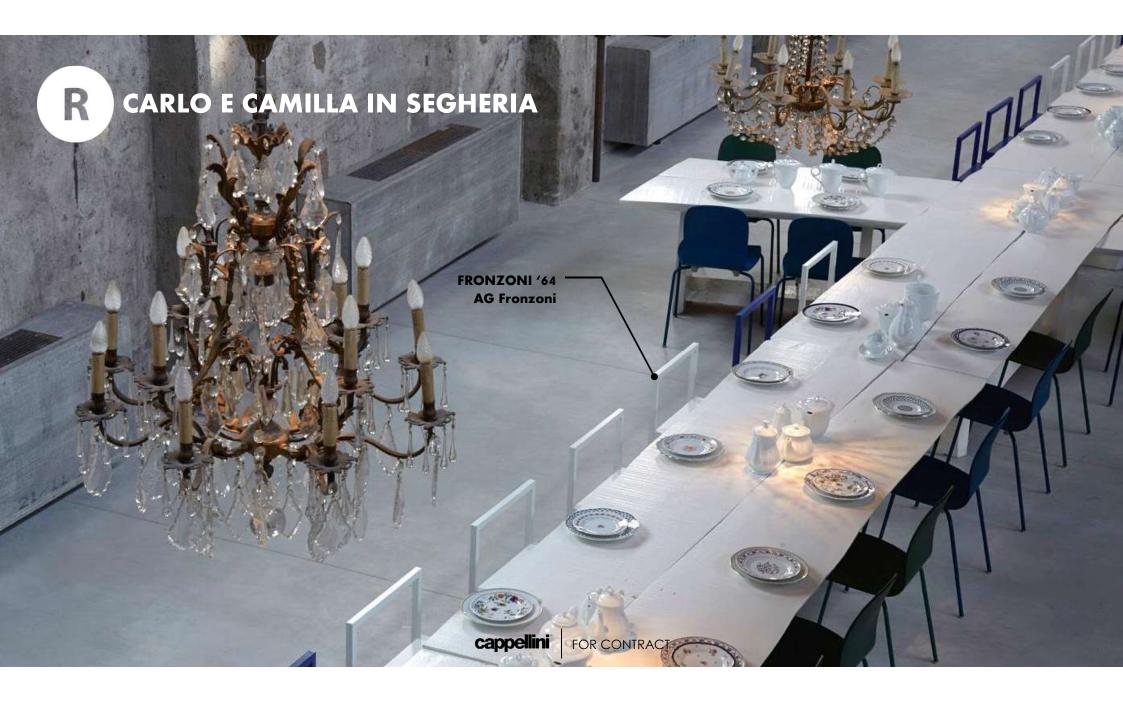

CARLO E CAMILLA IN SEGHERIA Milan

Tanja Solci

Carlo e Camilla in Segheria is a place where to experience (in this order) the excitement of discovery, the surprise of wonder, the feeling of happiness and the pleasure of sharing. The magic and the success of Carlo e Camilla is the co-existence of cuisine and art: rather than being just a mere restaurant, this is a meeting place where to eat, drink and make cultural and artistic events.

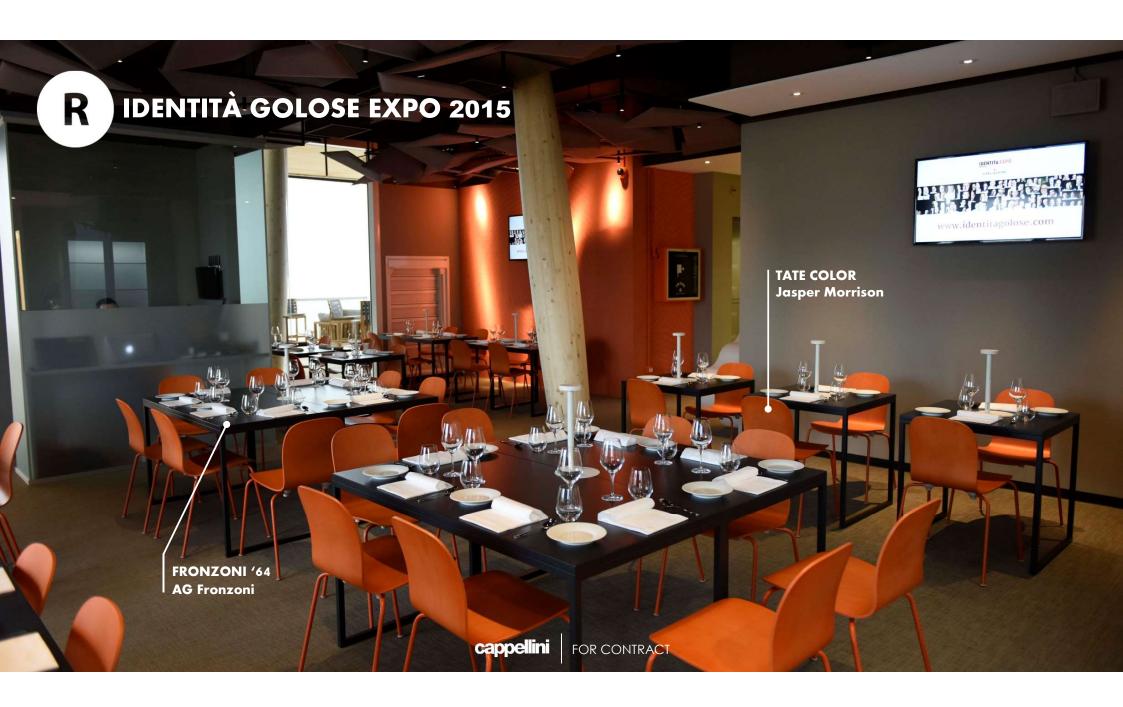

IDENTITÀ GOLOSE EXPO 2015

Milan Digit & Associati

R

Identità Golose is the landmark event for cuisine and culinary research in Italy which over the years has involved the most important starred chefs in initiatives to enhance gastronomic talent. For EXPO 2015, Cappellini was called to furnish the prestigious restaurant and the other spaces with its unique products: a partnership with the shared objective to promote the Made in Italy excellence of two of the three famous F's: Food and Furniture.

IDENTITÀ GOLOSE

Milan Digit & Associati The original concept conceived for EXPO 2015 gave rise to an ambitious new project: a permanent laboratory in the heart of Milan dedicated to conviviality and experimentation, where to welcome Italian and international stars of the culinary scene. Defined as the first international hub of gastronomy and culinary art, Identità Golose is a place for meetings and experimentation, an exchange platform that develops entertainment and research activities around quality cuisine.

NESPRESSO

Bullt: The sufficients

Amsterdam Sevil Peach & Veldhoen + Company

Microsoft

Sevil Peach and Veldhoen + Company have designed the Amsterdam headquarters of global tech giant Microsoft to help support their 1,000 staff using a new activity-based work concept. Microsoft wanted the space to convey a brand identity that was transparent, democratic and customer friendly. The biggest challenge was creating a welcoming, working environment that supported 1,000 people who didn't have a dedicated desk.

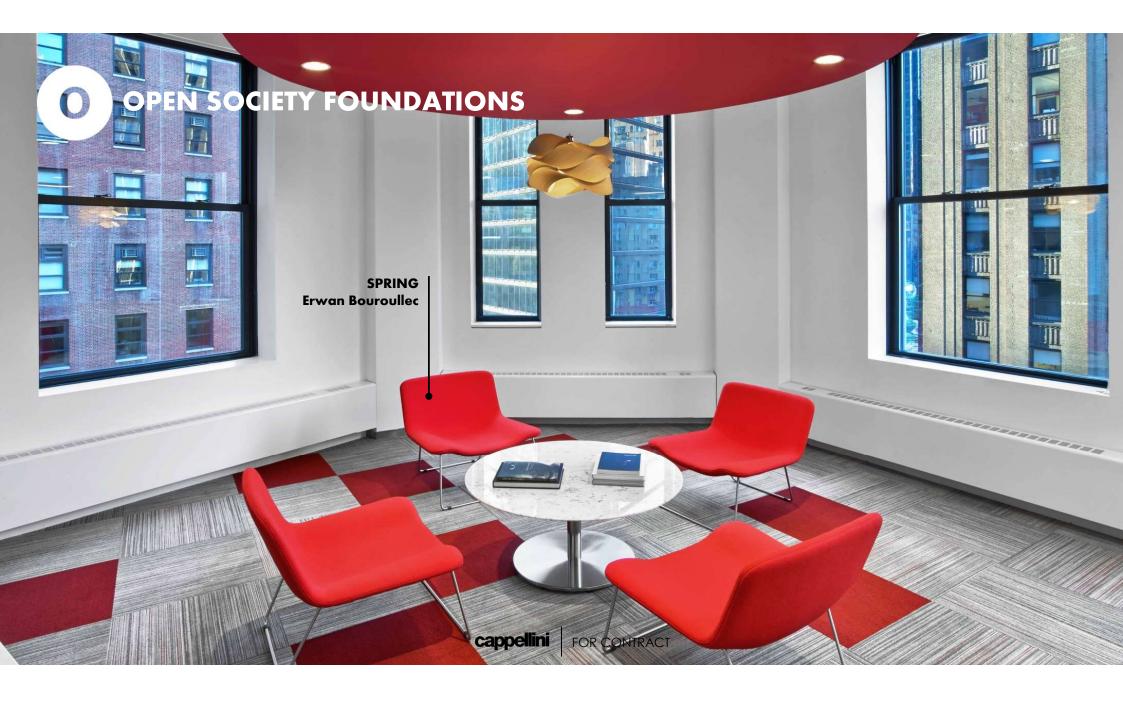

OPEN SOCIETY FOUNDATIONS

OPEN SOCIETY FOUNDATIONS

New York *Tirmizi Campbell* Architecture and design firm Tirmizi Campbell completed the Open Society Foundations' office in the Argonaut building, located in Midtown Manhattan. The organization brought on Tirmizi Campbell to create a democratic, equitable, open, and flexible space that would reflect the fundamental principles and the global identity of their organization.

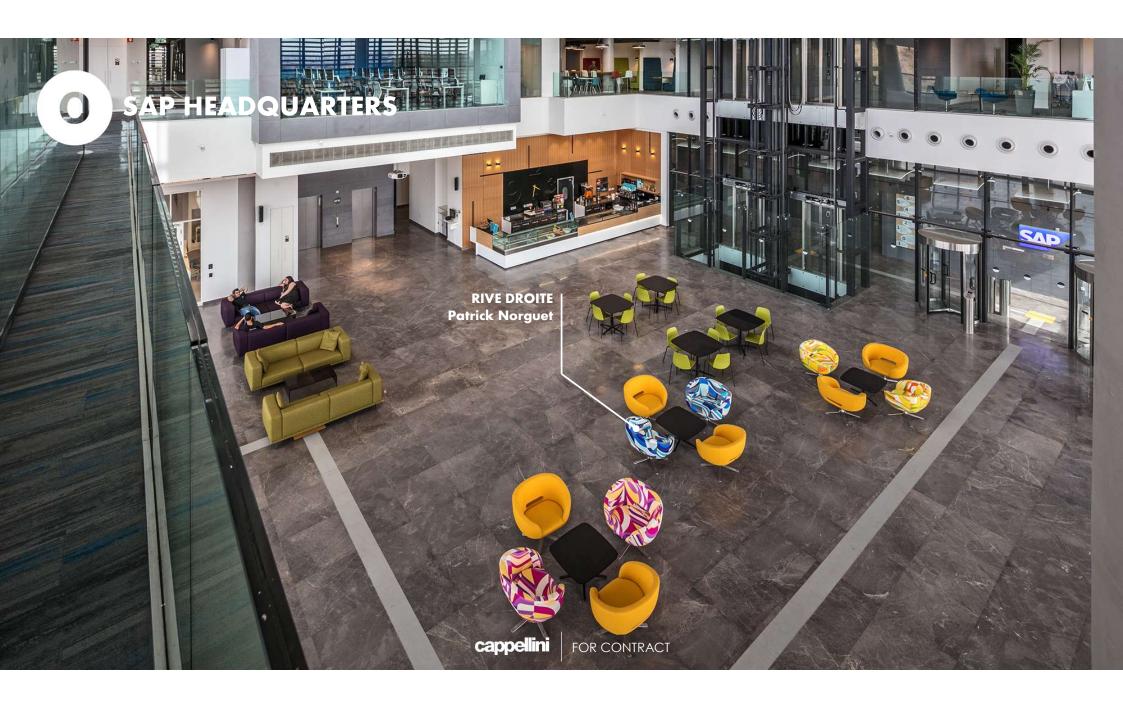

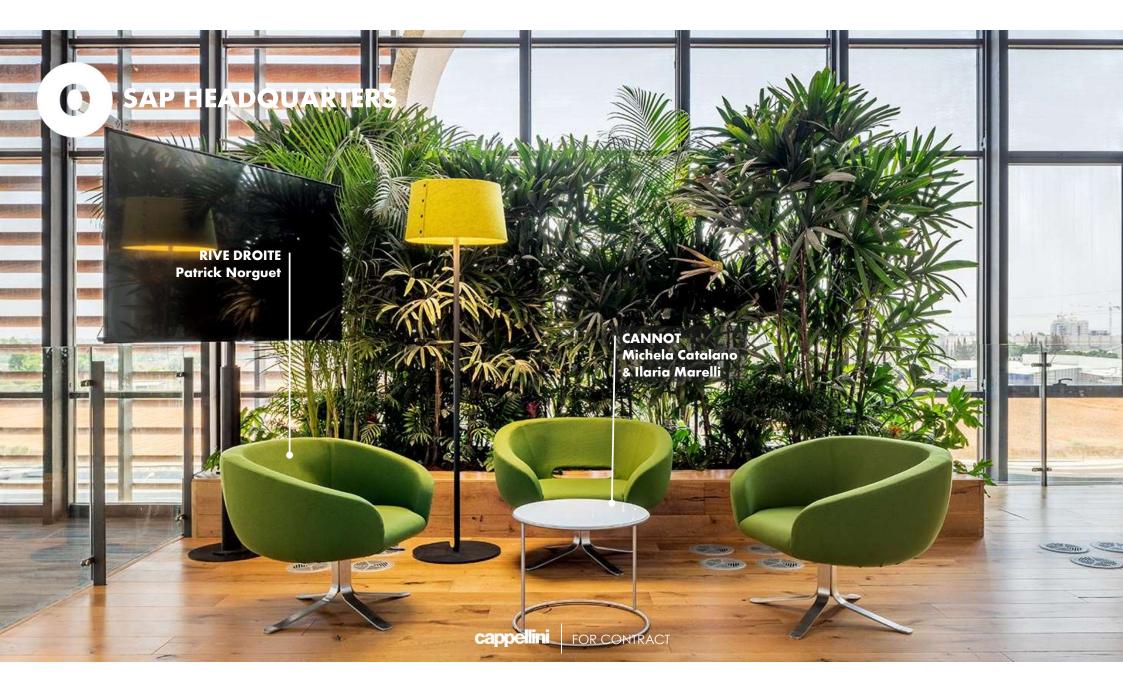

SAP

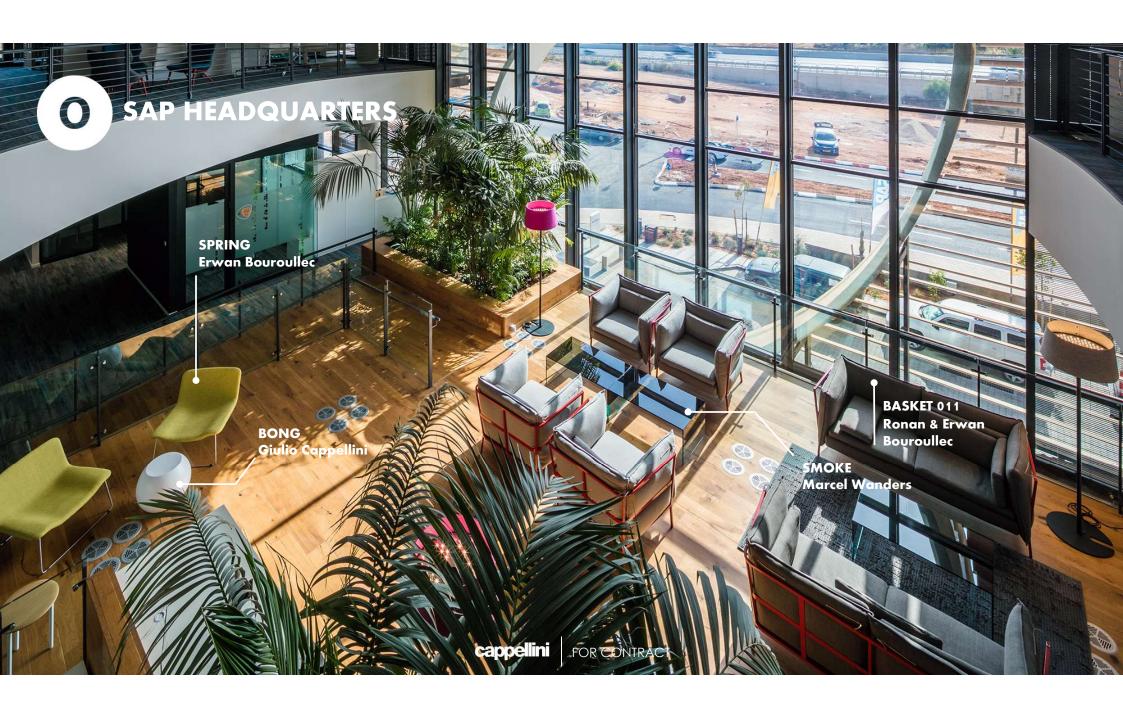

SAP HEADQUARTERS

Ra'anana, Tel Aviv Yashar Architects The German multinational software firm SAP has moved into its new Israeli headquarters. The six-story building, spanning 2,900 square meters per floor, was designed by Tel Aviv based architects Yashar Architects.

The structure has joint seating spaces, peppered with couches, private rooms, a gym, cafeterias and a patio with seating areas and lobbies that connects the various spaces making it accessible and easy to move between the company's various departments.

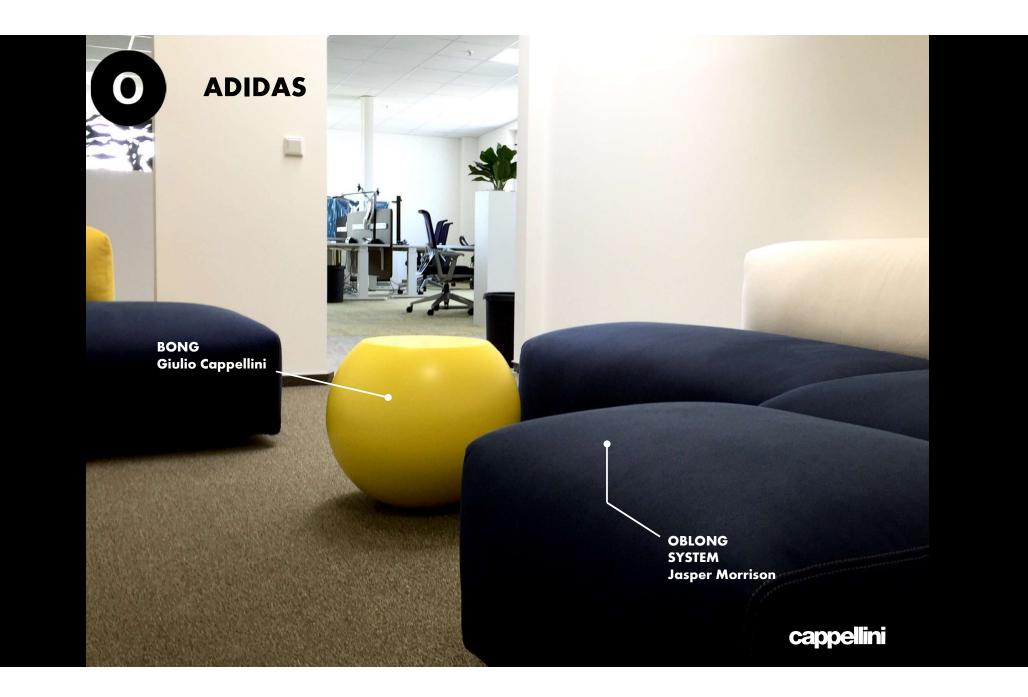

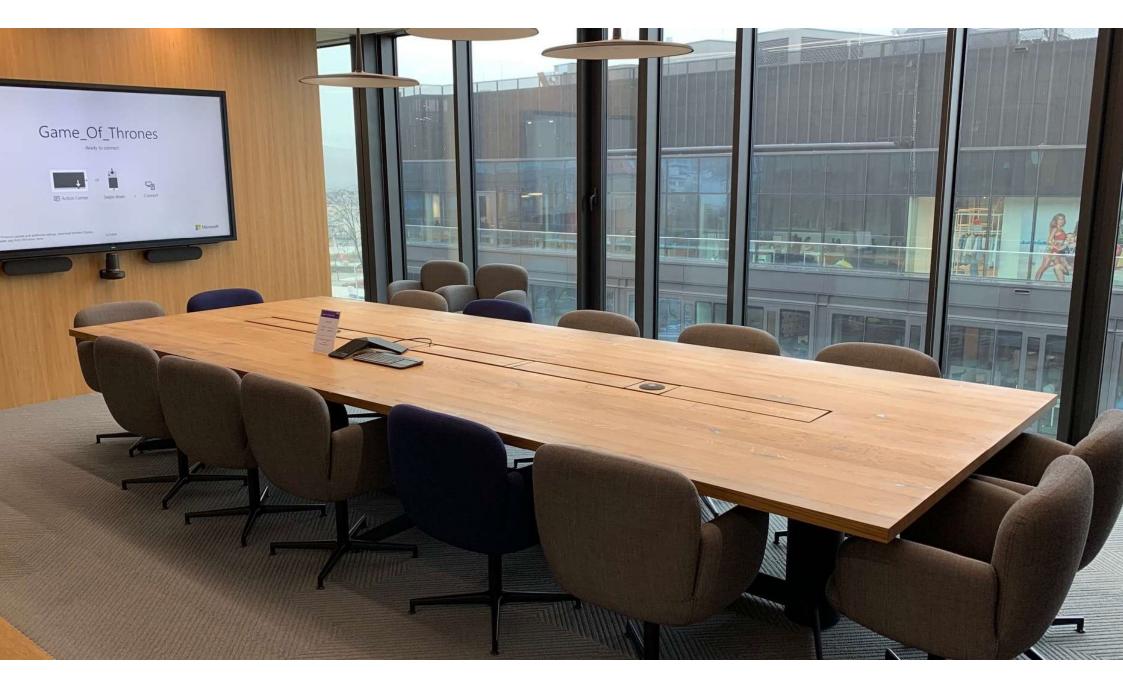

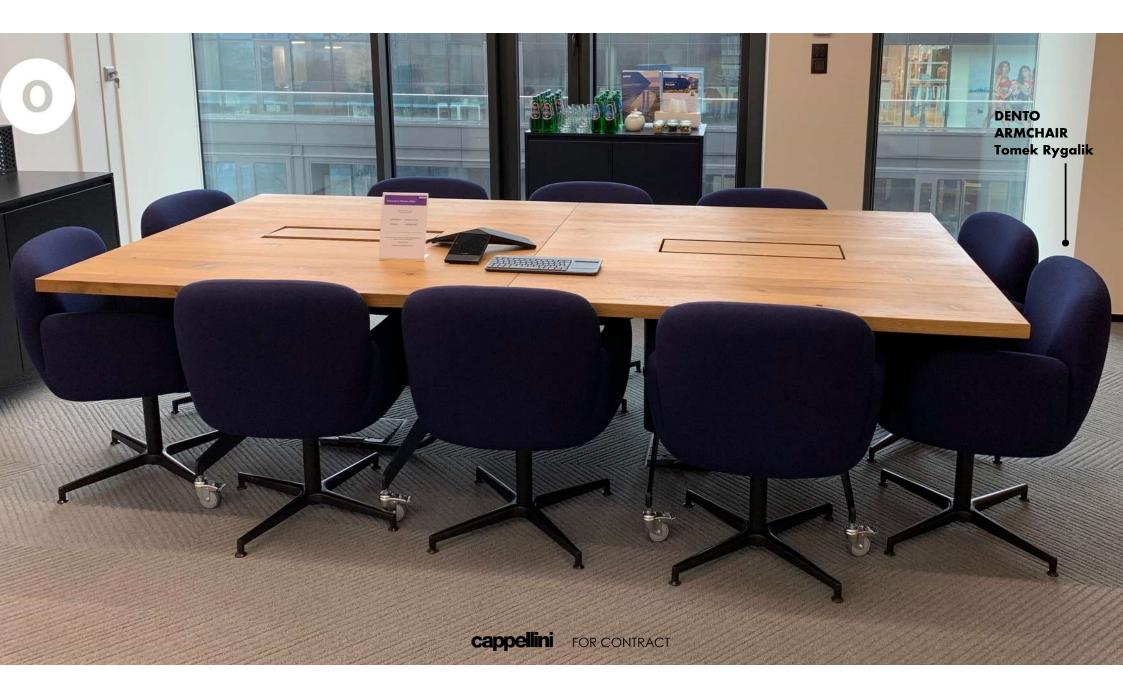

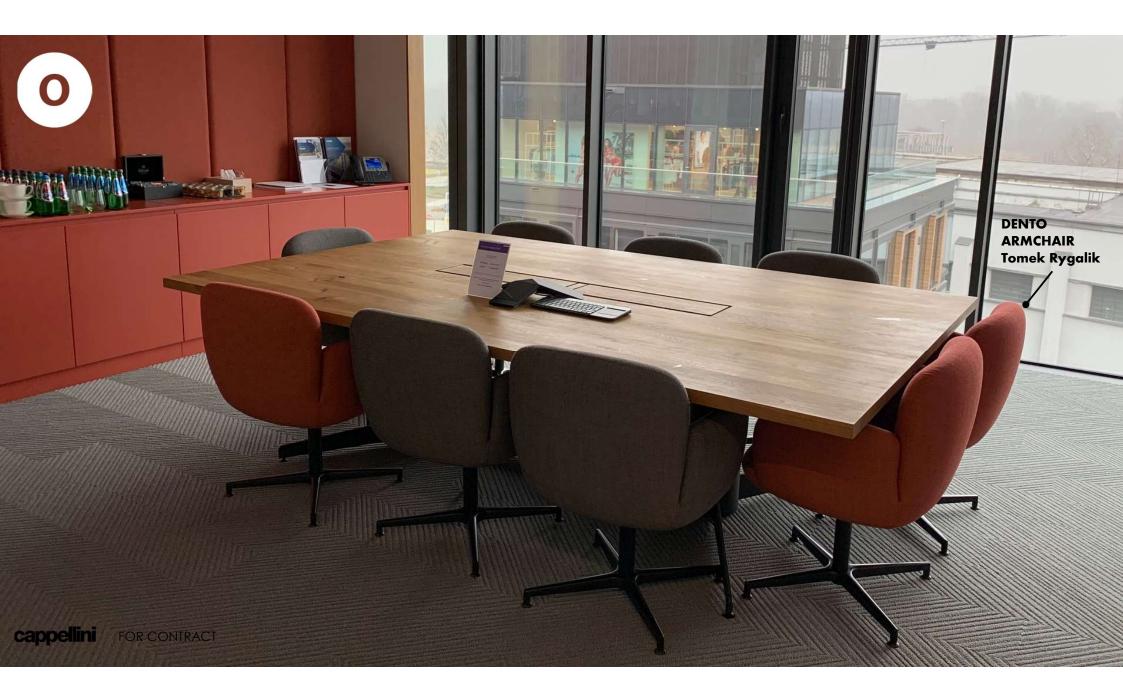

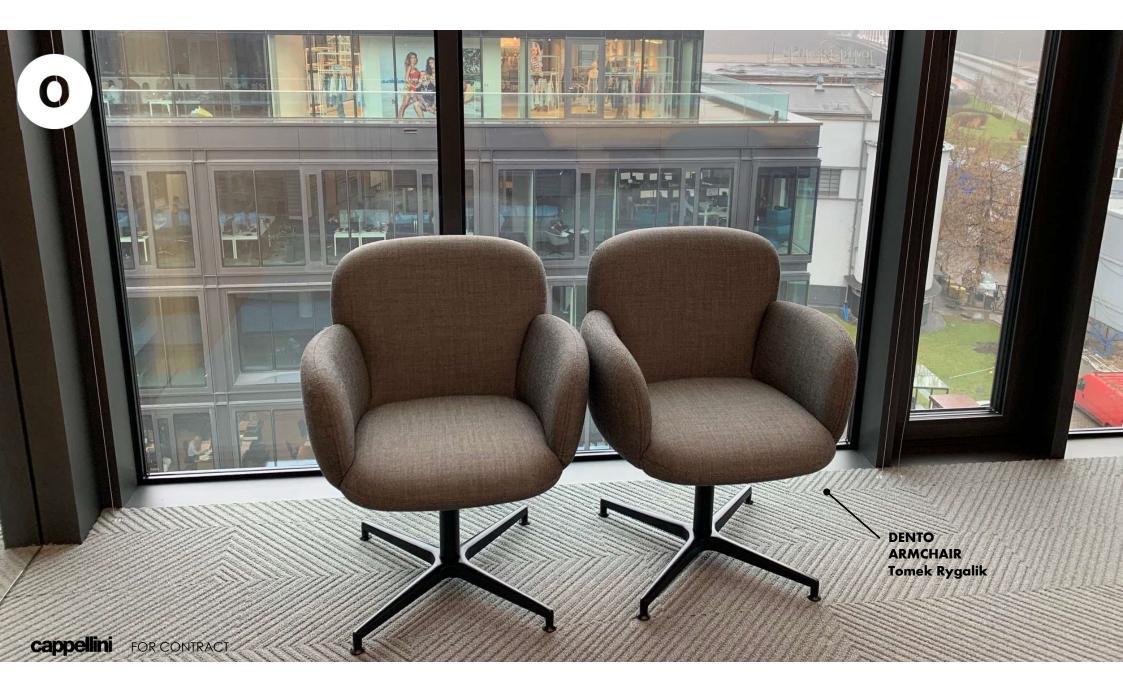

DENTONS OFFICES

Studio Rygalik *Warsaw* Dentons Warsaw office is the largest law firm in Poland, offering a uniquely broad range of services and tax and legal expertise.

TATE MODERN

Londra *Herzog & de Meuron*

P

London's Bankside Power Station stood disused from 1981 until 2000, when it opened to the public as *The Tate Modern*. Swiss architects Herzog & de Meuron approached the conversion creating a contemporary public space without diminishing the building's historical presence. The impressive cultural icon has since become the most visited museum of modern art in the world, revitalizing its formerly sequestered, industrial neighborhood.
